

Algology Course 2011

5th Interuniversity Course in Algology

The fifth Interuniversity Course in Algology will be held in Spa from Sunday 23 until – Friday 28 October 2011. The multidisciplinary background of the international faculty and participants will guarantee an extensive and in-depth review of acute and chronic pain management. The full board course in the beautiful green scenery of Spa Nivezé will create a most appropriate and enjoyable experience for all participants

WHO SHOULD PARTICIPATE ?

Physicians with interest in multidisciplinary pain management (e.g. generalists, anaesthesiologists, physical medicine...). The number of participants will be limited to 40.

WHEN ?

From Sunday 23 October until Friday 28 October 2011.

WHERE ?

Domaine de Nivezé, Spa, Belgium
