

SURVEY: COVID-19 PATIENTS MANAGED IN THE OR'S OF BELGIAN HOSPITALS
CONVENTION BETWEEN THE PROMOTOR, PRINCIPAL INVESTIGATOR, AND LOCAL
INVESTIGATORS

In the context of the above-referenced study, the Promotor, namely the Society for Anesthesia and Resuscitation of Belgium (SARB, Vincent Bonhomme, President), the Principal Investigator (PI, Mona Momeni, Cliniques Universitaires Saint Luc, Brussels), and the Local Investigator (LI) whose coordinates are mentioned below, agree on the following:

LI will be responsible for:

- Informing the Ethics Committee of his/her own institution about the study, and make every necessary formality to comply with local requirements
- Informing the patients he/she takes care of about the nature of the study, its goals, the confidentiality of recorded data, the insurance took out by the SARB, the possibility of lodge a complaint and consult a mediator, and the contact person in case of questions, according to the documents that were available upon launching of the survey
- Obtaining written or oral consent from the patient, or his/her legally representative, for participation
- Collecting data in patients managed in his/her own Institution
- Filling in the online questionnaire whose electronic link has been transmitted upon launching of the study, taking care of attributing to each patient an anonymous reference number

LI will dispose of data gathered in his/her own Institution for internal use, provided that patient data protection and anonymity are preserved. Should any other use occur, LI will inform the SARB and PI about it.

LI will allow the SARB and PI pooling his/her collected data with data collected in other centers to perform statistical analysis and, eventually, publish the results of the survey. In the event of a publication, LI will be associated as a co-author to it.

LI agrees to be contacted back by the SARB or PI, should any additional information be necessary for the adequate treatment and analysis of gathered data.

The SARB and PI engage to process received information with respect to patient data protection and anonymity, communication policy of the LI Institution, and personal LI identity.
